**Instructions**

Please answer these questions carefully. The information you give us will be used to compile the schedules the Court requires to have your bankruptcy case approved. Your answers will determine what will be on your bankruptcy petition. Any errors, omissions or misrepresentations may seriously affect the discharge of your debts (meaning that you may need to pay them despite your having filed for bankruptcy). Discuss this with your attorney.

Where space permits, answer the questions on this questionnaire. However, do not let the size of the space available determine the extent of your response. If additional space is necessary, use a separate sheet or the back of this form, identifying by number and letter the question answered. A question asking for a date, or when something happened, can usually be answered with the month and year only. A question asking for an address must include the ZIP code, along with a complete street or post office box address.

There are many parts of the worksheet that will ask you to place a value on property that you own. Please use the following as a guideline for determining those values:

**Warning:** The F.B.I. investigates bankruptcy crimes. Federal Law provides criminal penalties for bankruptcy crimes, which include bribery, concealment of assets, false statements, fake claims, filing under fictitious name, and perjury. Title 18, United States Code, Sec. 152, et seq. provides penalties of up to 5 years imprisonment or a fine not more than \$250,000, or both.

Bankruptcy is a privilege provided by law to people who are deeply in debt and in need of a fresh start. Bankruptcy will discharge many of your debts and you will not have to pay them, except, in some cases, secured debts for the purchase of particular merchandise or debts on which you gave a mortgage or put other property as collateral.

The instructions in this questionnaire should answer most of your questions. In addition, we have tried to eliminate “legalese” (or lawyer talk) by using clear and simple language. Where terms are used that we feel might be unfamiliar to you, we try to provide clear definitions. Nonetheless, if you find any questions unclear, please call, as accuracy at this stage is of utmost importance.

Remember, these questions *must* be answered fully and accurately. If you absolutely cannot remember, find out, or guess with reasonable accuracy, answer "Unknown." The effort you expend now will help determine how quickly your bankruptcy can be filed and how complete your discharge will be.

## SCHEDULE B: PERSONAL PROPERTY - HOUSEHOLD INVENTORY

The US Bankruptcy Code requires a complete disclosure of all personal property including items purchased, found, or received as gifts. **Replacement value** is to be used when valuing your household goods. Replacement value means the price that a retail merchant would charge you for property of that kind considering the age and condition of the property. Therefore, if you are valuing your 10 year-old stove, then you should consider how much a retailer would charge for a 10 year-old stove in the same condition as yours. You may wish to photograph or videotape the items in your home for verification purposes, but this is not required.

**All information that you are required to provide with a Bankruptcy Petition and thereafter during your Bankruptcy Case is required to be complete, accurate and truthful. Information that you provide may be audited, and failure to provide such information may result in the dismissal of your Bankruptcy Case or other sanctions including criminal prosecution.**

Do not include the name or address of a minor child in this statement. Indicate payments, transfers and the like to minor children by stating "a minor child." See 11 U.S.C. § 112; Fed. R. Bankr.
