

No Settlement in \$58,000,000 Judgment Against Homebuilder Bob Perry

Written On March 23, 2010 By [Bob Kraft](#)

The seemingly endless lawsuit between two homeowners and their builder will continue, now that post-verdict mediation has failed. An article in the [New York Times](#) reports that settlement discussions have broken down between Robert and Jane Cull, and Perry Homes. This is a very long tale to tell, and I won't repeat it here, but consumer lawyers around Texas have been watching this case play out over the past decade and apparently we will continue to be entertained for years to come.

My favorite quote from the article is by the couple's attorney: "You can contribute to judges but you can't contribute to juries."
