

[Thanks \(Again\) to Virginia Super Lawyers!](#)

Super Lawyers® I am always appreciative and humbled to join the great lawyers who populate lists such as [Legal Elite](#) and Super Lawyers. Needless to say I am even more thankful when I get elected to a great list like the [Virginia Super Lawyers Rising Stars](#) for a second time here in 2012.

So without further ado, thank you to my peers and those on the panel at Virginia Super Lawyers for the great honor. I feel quite proud to be part of the [2.5% of Virginia attorneys](#) that made this list for 2012.

The full lists of Virginia Super Lawyers and Rising Stars will appear in the July edition of Richmond Magazine. Please check it out.

Thanks again to all of you who participated in my nomination and election.

Please check out my [Construction Law Musings Blog](#) for more on Virginia construction law and other topics.
