

What to do with the original transcript in Federal Court for filing.

Rule 30

(f) Certification and Filing by Officer; Exhibits; Copies; Notices of Filing.

(1) The officer must certify that the witness was duly sworn by the officer and that the deposition is a true record of the testimony given by the witness. This certificate must be in writing and accompany the record of the deposition. **Unless otherwise ordered by the court, the officer must securely seal the deposition in an envelope or package indorsed with the title of the action and marked "Deposition of [here insert name of witness]" and must promptly send it to the attorney who arranged for the transcript or recording, who must store it under conditions that will protect it against loss, destruction, tampering, or deterioration.** Documents and things produced for inspection during the examination of the witness must, upon the request of a party, be marked for identification and annexed to the deposition and may be inspected and copied by any party, except that if the person producing the materials desires to retain them the person may (A) offer copies to be marked for identification and annexed to the deposition and to serve thereafter as originals if the person affords to all parties fair opportunity to verify the copies by comparison with the originals, or (B) offer the originals to be marked for identification, after giving to each party an opportunity to inspect and copy them, in which event the materials may then be used in the same manner as if annexed to the deposition. Any party may move for an order that the original be annexed to and returned with the deposition to the court, pending final disposition of the case.
