Three is Not the Magic Number

By: Jeffrey Hamilton Geiger. *Monday, June 4th, 2012*

For the **DeLa Soul** aficionados out there, three is apparently not the magic number. The headline says it all: “**Georgia man’s death during threesome nets his family \$3M in trial.**” Really? Presumably, the 31 year old man’s **heart attack** could have been stopped by his cardiologist advising him not to engage in extramarital **sexual activity**. The award could have been higher—the jury apportioned 40% of the blame to the “victim.”

I feel like I should go to the drive through and order some really, really hot coffee.
