It's a Dirty Job, but Someone had to do it!

May 2, 2011 By Melissa Brumback

Mike Rowe wants YOU to visit his Hub

Ever watch the TV show [Dirty Jobs](#)? If so, then you know Mike Rowe, the real-life guinea pig who has test-driven over 300 “dirty” jobs.

Now, Mike has launched Mike Rowe's [Trades Hub](#), a site that gathers together blogs relating to safety, equipment, contracting, legal issues, labor issues, marketing, insurance, as well as blogs covering specific trades such as architecture, HVAC, excavation, and plumbing. Consider it “one stop shopping” for your business.

This blog was chosen to be featured on the legal pages of the Trades Hub. Stop on by and check it out. There is a wealth of information on the Trades Hub that may be helpful to your A/E/C business.

Comments or questions? Just really like Mike and want to say “hi”? Comment below!
