

Fatal bus accident needs further investigation, New York Personal Injury Lawyer says

A MTA bus hit and killed a pedestrian while making a turn.

NEW YORK, NEW YORK – A 76-year-old man on his way to the grocery store was hit and killed by a bus. Edmundo Cortes was crossing Castle Hill Avenue in the Bronx when he was [killed by a NYC bus](#) making a turn. Apparently, the bus driver did not realize his bus hit a pedestrian as he was making a right turn, because he continued driving until a witness stopped him. The [pedestrian hit by the bus died](#), crushed under the wheels of the bus.

Police questioned the driver and did not press charges. New York [personal injury lawyer](#) David Perecman is collecting more information on the situation.

“In a case like this, legal action would be inevitable in New York,” personal injury lawyer Perecman said.

If a pedestrian is injured or [killed in New York by a bus](#), it is important that the victim of the family of the victim contact a New York personal injury lawyer. Filing a claim against the New York MTA after a [MTA bus accident](#) is challenging because of the complexities of suing a government agency. A New York personal injury lawyer can most likely leverage his or her many years of experience to build a strong and compelling case for New York [bus accident injuries](#) caused by negligent MTA bus drivers, distracted bus drivers, malfunctioning buses, and other causes.

Perecman has over 20 years of experience as a New York [personal injury lawyer](#).

If you have been hurt, or a member of your family has died in a New York bus accident, you may be entitled to compensation. Injuries from bus accidents can be severe and life-changing. The compensation you receive can cover medical expenses related to the accident, future medical expenses, lost wages, and compensation for pain and suffering. New York personal injury lawyers at The Perecman Firm can help you.
