

U.S. Citizenship and Immigration Services Launches 'The Beacon - The Official Blog of USCIS'

WASHINGTON, March 16 - U.S. Citizenship and Immigration Services (USCIS) recently unveiled [The Beacon](#) – the agency's official blog and newest tool that provides immigration-related information and fosters an open dialogue with the public.

The Beacon provides an important resource for information about USCIS as well as a forum through which readers can engage USCIS staff and others who are interested in immigration and naturalization issues. Readers are encouraged to submit their comments, ideas, concerns and constructive criticisms to www.uscis.gov/blog.

USCIS will review all comments prior to posting. Detailed guidance is provided on the blog under the comment policy.

The Beacon can be accessed at www.uscis.gov/blog. For general information on USCIS and its programs, visit www.uscis.gov or call the National Customer Service Center at (800) 375-5283.
