

## Can Passengers in Public Transportation Accidents be Compensated?

### Answers from a New York Car Accident Lawyer Resource

Every single day, millions of people across the country ride public transportation. It probably wouldn't shock you to know that New York City has a good percentage of them. With so many types of public transportation out there, it's not surprising that there are often accidents that occur. As a New York car accident lawyer resource, we feel it's important for you to know that accident compensation for passengers is available to you when you work with the right attorney.

At CarAccidentCases.com, we want you to know that there are all types of injuries that can occur on various means of public transportation. Remember, these vehicles include taxi cabs, trains, buses, limousines, and there are several other types. Getting a settlement for your injuries is possible when you're working with a New York car accident attorney who has experience in these types of claims.

Passenger accidents that can occur on public transportation include:

- Slips and falls due to wet floors
- Collisions with other vehicles or with fixed structures
- Criminal actions of others that were not eliminated by the carrier

As you've probably read on CarAccidentCases.com, proving negligence is often one of the biggest challenges, and this can be even more true when you're filing a claim against a public transportation company. However, it's not impossible, and with a skilled and experienced attorney working with you, it's possible to do it. You can learn more about how to prove negligence by reading our article, [4 Mistakes Often Made When Negotiating Car Accident Settlements](#).

While most people take advantage of public transportation because it's an easy way to save money when you're living in New York City, it's important to remain aware of your surroundings when you're utilizing these services. If you are injured in a public transportation accident, contacting a New York auto wreck attorney can help you understand your rights as a passenger and how to proceed with filing a claim.
