IMPORTANT TRAINING ANNOUNCEMENT

NEW! • ELECTRONIC CONTROL WEAPONS (ECW) INSTRUCTOR COURSE • **NEW!**
CA-POST PLAN IV CERTIFIED • Feb. 23-24, 2012 • Monterey Co. (CA)

Martinelli & Associates, Justice & Forensic Consultants, Inc., in cooperation with the Monterey County (CA) Sheriff's Department has developed and is producing the nation's FIRST independent non-manufacturer driven Electronic Control Weapons (ECW) Instructor Course. This excellent and unique two-day instructor development course is CA-POST Plan IV certified. Attendees successfully completing this course will be certified to instruct end-user officers from their department for a two-year period. Recertification is only a one-day course.

Our ECW Instructor Course is vastly superior to the manufacturer's current instructor course in that our course covers ALL of the critical weapon familiarization, Use of Force, officer safety tactics, medical, legal, "best practices" policy, reporting and testimony components that the manufacturer course does NOT cover. NO sales information is provided in our ECW Instructor Course. Instead, we provide you with significant hands-on training taught by recognized TASER® instructors, Force Science Center® Certified Force Analysts and court qualified experts.

Topics Covered: Electronic Control Weapons familiarization and dynamics including TASER® International product line; Use of Force case laws including those pertinent to ECWs; officer safety and ECW deployment tactics; pre-contact threat assessment; responses to EDPs and persons under the influence; psychological & physiological effects of "load" on influenced subjects; medical issues including agitated-excited delirium and sudden in-custody death; assessing resistance vs. compliance; cuffing under "load"; "best practices" model ECW policy and risk management; UOF report writing and testimony; ECW exposures; and how to teach ECWs to end-user officers. Significant hands-on scenario practice including how to develop and teach stress-induced scenarios.

Master Instructors: Ron Martinelli, Ph.D., BCFT, CFA, CLS, former police officer (22 years), police academy director, Use of Force instructor (31 years) and nationally recognized Federal/State Courts qualified police/corrections practices expert, Certified Forensic Analyst, Certified Force Analyst, Force Science Center®. Sgt. Ed Flosi, M.S., (27) years officer, supervisor of large urban agency UOF training unit, UOF instructor, Certified Force Analyst, Force Science Center®.
