At MLMLegal.com, we are continuously working on a project of maintaining over [700 MLM, direct selling, network marketing, party plan company profiles](#) and keeping them accurate and up-to-date. Our unbiased MLM company profiles offer summary information about each company's founding story, its impact on the MLM industry, products, compensation plan, as well as its growth and sales volume figures.

Please welcome ten new MLM company profiles to MLMLegal.com.

In addition, we work tirelessly to add new MLM companies as they launch into the U.S. and global marketplace. We hope that the simplified MLM company profiles help to provide readers with quick information about individual companies without requiring readers to have to wade through each company's, sometimes complex, websites and compensation plans/opportunities.
