RE: No Representation

Type of Matter:

Dear

Thank you for contacting my office in connection with the above matter. We will not be able to serve as your attorney in your matter. We are required by Supreme Court decisions to send you this letter to state we will not open a file and will not take any action.

You may have legal rights, responsibilities and remedies that you wish to pursue. Under New Jersey law formal suit must be filed within the applicable statute of limitations. The statute of limitations for a personal injury or tort is two (2) years from the date of the injury/accident. There may be other statutory limitations which pertain to your matter. If a lawsuit is not filed within the statute of limitations, it will be forever barred. We are not advising you that you do not have a case but that this office has decided it will not take the case. We only handle personal injury cases where there is a serious permanent injury and the doctor indicates in writing the injuries were caused by the accident.

We recommend you speak with another attorney immediately to possibly retain an attorney to preserve any of your rights and responsibilities in your case. The phone number of the Middlesex County Bar, Lawyer Referral is 732-828-0053. The phone number for the Mercer County, Lawyer Referral is 609-585-6200.

We encourage you, your family or friends to contact us if you have a different legal matter in the future. We would be available to discuss the different matter with you. Please visit our website at [www.njlaws.com](http://www.njlaws.com). You will find many legal articles and information.

Very truly yours,

KENNETH VERCAMMEN
