© Jeffrey Babener 2013

A Belgian appellate court declared December 3, 2013 that Herbalife is in fact operating in compliance with Belgian law, reports [Yahoo! news](#). This ruling is in response to previous claims by the consumer organization, Test-Aankoop, that the international nutrition company was operating as a pyramid scheme.

Herbalife was established in 1980 and operates in over 75 countries. The company is the world's fifth top direct selling company, with 2.7 million salespeople in roughly 79 markets, reports [mlmlegal.com](#).
