### [When Couples Cannot Afford to Split](#)

Posted on March 11, 2009 by [Daniel Clement](#)

There has been much ado about the effects of the economy on divorce.

Those who need to sell the marital home to fund their fresh start may now feel imprisoned in their marriage. With greater frequency, those unable to sell their home are forced to continue to cohabit with their spouse.

The Daily News featured a story about [when a couple cannot afford to separate](#) for which I was interviewed. Follow the link to read the article.
