## One Stop Shopping: the Green Building Directory (Tue Tip)

By Melissa Brumback on April 19, 2011

*A green lighthouse. Literally!*

**Wouldn't** it be nice to have a handy resource of "green" builders, tradesmen, and material suppliers when you are designing your next project or writing your next set of specifications? Check out the [Western North Carolina Green Building Directory](#), where you'll find all this and more.

And, if you are a green architect, engineer, or designer, you can [add yourself](#) to the directory if you are a member of the Western NC Green Building Council.

*Know of a resource for design professionals? Drop me a line and I'll feature it in an upcoming "Tuesday Tip." And, sign up for email delivery of all blog posts to your inbox (through the subscription box at the top of the page) so you'll never miss out on practice tips!*
