

Truck Mounted Boom Collapses into a Brooklyn Building, New York Construction Accident Lawyer Comments

A truck-mounted boom tipped and hit a building in, but the construction workers all escaped construction site injury.

NEW YORK, NEW YORK — A truck-mounted boom tipped and hit a Brooklyn brownstone, but as [New York construction accident lawyer](#) David Perecman is happy to note, the construction workers all escaped injury.

According to the *New York Daily News*, the non-injury [construction accident in New York](#) occurred while a construction crew was adding a third-story extension on the Cobble Hill building. The weight of the sheetrock and plywood was apparently too much and the boom collapsed, leaving the truck on a 45-degree angle.

No one was injured in the [New York construction accident](#).

The construction company brought in a crane, and firefighters set up a sling on the boom to turn the truck upright.

[New York construction accident lawyers](#) understand that construction equipment and machinery is often to blame for construction accident injury and death. Boom accidents, forklift accidents, scissor lift accidents, hydraulic jack accidents, crane accidents, front-end loader accidents and other machine and equipment construction accidents cause many injuries each year in New York and elsewhere.

“If the causes of a [construction equipment accident](#) are avoidable, meaning that someone’s negligence was the cause of the construction accident injury or death, a [victim of the construction accident](#), or his or her family, can obtain financial compensation for the [construction accident injuries](#) or construction site death in New York,” [construction accident lawyer](#) Perecman, founder of The Perecman Firm, one of New York’s construction accident law firms, said.

Perecman and his team of [New York construction accident lawyers](#) at The Perecman Firm have recovered millions of dollars for clients injured in construction accidents. Construction workers who have been injured in a construction accident in New York should [contact a New York construction accident lawyer](#) to make sure they are getting [maximum compensation for construction accident](#) pain, lost wages, and suffering.
