

**Could a tribunal have your  
business for breakfast?**

**Employment Law Protection**

Take the right approach with Praesidium.

# Why does my business need employment law protection?

Ever-changing employment law may be a major headache, but fighting a tribunal can seriously damage any firm's finances and reputation. Is your business adequately prepared for potentially disastrous claims?

## Introducing Praesidium

Praesidium is a practical, cost-effective and comprehensive online employment law service, supported by a dedicated, 24 hour helpline.

You'll get expert help and support on every employment law issue, helping safeguard your business' future.

Written by respected employment lawyers, your comprehensive, practical online manual comes in three sections: **Pre-Employment;** **Managing Employment;** and **Termination.**

Each section is written in plain English, and contains expert and trustworthy information you can access and print including:

- Policies and procedures
- Forms and records
- Step-by-step guides
- Fully updated "What the Law Says" summaries

# Why should I choose Praesidium?

Choose Praesidium, and you're free to:

- Run your business without worrying about employment law obligations
- Instantly access comprehensive, expert and up-to-date employment information – 24/7

Unlike some of our competitors, all of your online advice comes from regulated, experienced and reputable employment lawyers. So when it comes to all your employment law issues, you'll always be in safe hands.

## OK. So what do I get?

- 24/7 access to our online employment law advice manual
- 24 hour employment law helpline
- Full insurance cover up to £250,000 per claim
- Regular updates on the latest employment law developments

## Sounds good. What do I do next?
