- C. AL2013-062, Flor Dialysis, LLC, d/b/a Steel City Dialysis Birmingham, AL: Proposes to add two hemodialysis stations at its current location consisting of seven hemodialysis stations and one isolation station.

Opposition: None

Approved

- D. AL2013-063, RAI Care Centers of Alabama, LLC, Jacksonville, AL: Proposes to add four hemodialysis stations and two home training stations to the existing 12-station facility.

Opposition: None

Approved

- E. AL2013-064, DCI Evergreen, Evergreen, AL: Proposes to add two stations to the existing 10 stations, one of which is an isolation station for hepatitis B surface antigen positive patients, for a total of 12 stations.

Opposition: None

The Board voted to allow the applicant to temporarily add two stations to its existing facility while another area facility is shut down for renovations. Once the renovations of the neighboring facility are complete, the applicant must take the additional two stations out of service because the State Health Plan does not show a need for the additional stations in this county.
