## What You Can Do With a Law Degree

[The New What Can You Do With a Law Degree: A Lawyer's Guide to Career Satisfaction Inside, Outside & Around the Law is now available on Amazon.](#)

For those who aren't familiar with the predecessor editions, here is a description:

In this new, 6th edition of a law career classic, lawyers are introduced to a unique, five-part model for career satisfaction. It is based on a well-established principle that the better the fit between your career identity and your job, the greater your long-term satisfaction. The five-part model developed by Larry Richard JD/Ph.D. will help identify your career identity so that you can find lifelong satisfaction in the traditional practice of law, or through alternative work arrangements, or career choices. This book contains career exercises, practical career-finding techniques, and a compendium of 800+ ways to use your law degree inside, outside or around the law.

The co-author is our very own Tanya Hanson, [Oregon State Bar Professional Liability Fund](#) Loss Prevention Attorney.

I hope you will find this resource helpful. Please share it with others who might benefit from this guide. At a mere \$30 (free shipping) it is a bargain and then some!
