Social Media

By: Jeffrey Hamilton Geiger. *Wednesday, August 8th, 2012*

The mixture of lawyers and **social media** seem to be the equivalent of the **Tom Cruise/Katie Homes** relationship—let's get married and see how it works out. But, as we have observed, that is "**risky business**" (insert groan). Social media has sprung a number of **ethical issues** on which I have **commented previously** and which Paul Fletcher, editor of **Virginia Lawyers Weekly**, has **recently posted**. I should not have to **jump up and down on a couch** (I will stop now) to emphasize the need for lawyers to get their internet house in order.
