

# 43 Days Remain Before June 25, 2013, Lead Plaintiff Deadline in Intuitive Surgical, Inc., Securities Lawsuit, Hagens Berman Reminds Investors

May 13, 2013

BERKELEY, Calif. -- Hagens Berman Sobol Shapiro LLP, a national investor-rights law firm, today reminded investors that 43 days remain before the June 25, 2013, lead plaintiff deadline in a securities class-action lawsuit brought against Intuitive Surgical, Inc. (NASDAQ: ISRG) ("ISRG" or "the company"). Those who have more than \$300,000 in losses are encouraged to contact Hagens Berman Partner Reed Kathrein to discuss moving for lead plaintiff by emailing [ISRG@hbsslw.com](mailto:ISRG@hbsslw.com) or calling (510) 725-3000.

Investors who purchased ISRG common stock between Oct. 19, 2011, and April 18, 2013, (the "class period") and have suffered significant losses can also reach an attorney by visiting <http://www.hb-securities.com/investigations/ISRG>.

On April 26, 2013, a lawsuit was filed in the U.S. District Court for the Northern District of California, alleging that ISRG issued a series of false or misleading statements to investors during the class period. The suit alleges that ISRG failed to fully disclose to investors the financial impact of safety problems with its da Vinci Surgical System, including a number of deaths allegedly caused by the system.

On April 30, 2013, Medscape—an online medical resource for healthcare professionals—reported that the Food and Drug Administration has begun to investigate da Vinci following a spike in adverse event reports (AERs) related to the system's use in surgery. According to Medscape, the number of da Vinci AERs filed with the FDA increased by 34 percent between 2011 and 2012.

A number of lawsuits have been filed against the company seeking damages for injuries allegedly caused by da Vinci. ISRG's stock price suffered a significant decline following media coverage of those suits. The filed investor lawsuit claims that ISRG deceived investors regarding the risk of FDA action against the company.

Investors who wish to serve as lead plaintiff in the case must move the court no later than June 25, 2013. Any member of the putative class may move the Court to serve as lead plaintiff through counsel of their choice, or may choose to do nothing and remain an absent class member.

Hagens Berman reminds whistleblowers with inside information that rewards may be available to individuals who report information leading to a successful enforcement action by the Securities and Exchange Commission. Under the new SEC whistleblower program, whistleblowers who provide original information may receive rewards totaling up to 30 percent of any successful recovery made by the SEC.
