It's official; Donald Trump now controls the famed 800-acre Doral Golf Resort and Spa in Miami. The premier golf resort boasts five championship golf courses, including the legendary Blue Monster, whom professional golfers both respect and fear.

Trump Hotels has planned more than \$200 in capital improvements to be spread over 18 months with all 700 guestrooms, the ballrooms, meeting facilities and sprawling spa to be overhauled.

Donald Trump's venture appears to have some sentimentality behind it, "Every year, my father and mother would take me to Doral for a weekend; it was the ultimate treat for me. It was beautiful."

The property will remain open for business during the renovations, which are scheduled for completion in Fall 2013.
