## ROCKLAND COUNTY ATTORNEYS HUDSON VALLEY BANK SUPPORTS YOUR ASSOCIATION!

Since 2007, Hudson Valley Bank has sponsored various Rockland County Bar Association events in some very significant ways. As we prepare to open our next branch at 4 Executive Boulevard, Suffern, NY, we remain committed to the Association and to providing your law practice with the highest quality attorney banking services available in Rockland County, NY.

The Rockland County Bar Association benefits by your decision to place your attorney trust, infant compromise, Guardianship, Supplemental Needs Trust and business accounts with Hudson Valley Bank. It is what makes our continuing sponsorship of local Bar Association programs possible.

Perhaps more importantly, you and your firm benefit directly from Hudson Valley's commitment to attorneys. **We don't take our attorney banking relationships for granted.** We appreciate the significant professional responsibilities associated with attorney banking. We understand what it takes to run a law practice. We understand the time constraints that you face. With our experience, specialized attorney products and exceptional personal service, we can effectively meet your banking needs.

Four years ago, we were the new bank in New City and Rockland County. Today, we are a known entity. We have forged relationships with a number of you, as well as other influential people and businesses in the County. We look forward to strengthening those relationships and developing new ones as we open our Suffern Branch.
