

High-Hanging Fruit: Unusual Levies

(1.50 hours CLE Credit)

11/19/2013

Presented by: Los Angeles County Bar Association, Remedies Section

Program Information:

This program will describe unusual methods of levy, and is designed for litigators seeking both pre-judgment and post-judgment enforcement and collection from assets belonging to the defendant/judgment debtor. The program will address levies including partnership interests, privately held corporate interests, intellectual property, Paypal accounts, and patents and trademarks, among others. In a world where more and more value exists in something other than accounts or tangible property, these methods of levy and enforcement are invaluable.
