

ADVICE OF RIGHTS & IMPLICATIONS
FOR IMMIGRATION STATUS
UPON CONVICTION OF A CRIME

This only applies, if you are not a United States citizen.

You have been charged with a “Criminal Offense.” This office does not practice Immigration Law. Therefore, we advise that you seek the immediate services of an Immigration Lawyer, as conviction for any crime where the potential sentence exceeds six (6) months, or where the crime involves violence, moral turpitude, drug use, possession or the sale of drugs may expose you to immediate deportation from the United States.

If your case is in reference to any of the above-mentioned charges, you will need the assistance of an Immigration Lawyer. We have found the Immigration Attorney, Shanta Ramson at (301) 438-1111 to have been of great help to our past clients.

You may call her or seek immigration counsel of your choice.

I HAVE READ, REVIEWED, AND FULLY UNDERSTOOD THE ABOVE NOTICE AND WILL ACT ACCORDINGLY.
