Case Studies for Sustainable Landscapes (Tue Tip)

June 21, 2011 by Melissa Brumback

Interested in incorporating sustainable landscape solutions into your projects? The [Landscape Architecture Foundation](#) (LAF) has a database of case studies just for you!

LAF's [Landscape Performance Series](#) is an online interactive set of resources to demonstrate the value of sustainable landscapes to agencies, owners, advocates, and others.

The Performance Series includes:

- Case Study Briefs
- Benefits Toolkit
- Factoid Library
- Scholarly Works

Check it out!

Do you have a favorite resource on the web for your design practice? If so, drop me a line so I can share your find with your fellow architects, engineers, and construction professionals.
