

CourtReads Case Coverage List

Our newest website – www.courtreads.com – offers completely free access to over 150,000 documents filed in hundreds of the largest current corporate bankruptcy cases, including cases under chapter 9, chapter 11, and chapter 15 of the Bankruptcy Code.

- Unlike other “free” websites, we don’t just have copies of the court dockets, we have copies of all of the actual court filings.**
- Save hundreds of dollars by not having to buy the documents from PACER.**

On the following pages, you will find links directly to access all of the documents in each of the cases that we currently cover. More cases added regularly.

Current as of December 17, 2012
