

***Turnarounds & Workouts* Announces Outstanding Investment Banking Firms for 2013**

Turnarounds & Workouts' Special Report on Outstanding Investment Banking Firms honors firms that are routinely retained in the most complex and sophisticated restructuring transactions. The honorees are selected by *Turnarounds and Workouts'* editorial staff based upon these investment banks' recent representations, and from nominations received from leading restructuring professionals nationwide.

"All of the firms included on this year's Outstanding Investment Banking Firms list had notable engagements in the past year and I believe that the senior professionals at these investment banks will continue to be leaders in the restructuring world for years to come," said *Turnarounds & Workouts* editor Nina Novak.

For more than a quarter century, *Turnarounds & Workouts* newsletter, published by Beard Group, has recognized the achievements of top business professionals and attorneys in the bankruptcy, restructuring, and distressed investing industry.
