# SOME OF MY FAVOURITE ONLINE RESOURCES

Serena Lim, Bizibody Technology

# SOCIAL PUBLISHING - A LEGAL RESOURCE

- **Docstoc** : "Find and share professsional documents". *Good for precedents, I like the flash based viewer and the diversity of precedents which ranges from precedents, policies to speeches.* **www.docstoc.com**

- **JD Supra** for Legal Articles: *"Give content. Get noticed". Quality articles as documents and contributors are vetted.* **www.jdsupra.com**

- **Google Scholar** for US, Federal, State District, Appellate and Supreme courts cases. *I like the handling of citations.* **scholar.google.com.sg**

# USEFUL WEB2.0 SERVICES

- **Twitter:** Realtime updates of what's happening. *I use it to keep in touch with articles and cases in the E-Discovery world by following certain e-discovery gurus.* **www.twitter.com**
- **Open Law:** Forum for sharing of ideas, questions and precedents. *Forum for lawyers from small law firms to discuss and share.* **www.openlaw.com.sg**
- **gothere.sg:** A *very cool street directory with routes, time needed and cost of of travel. One of my favourites.* **www.gothere.sg**
- **nicetranslator.com:** An excellent *translation tool for single words and sentences which are not too complex. Wish it could also read out the words.* **www.nicetranslator.com**
